

MALMI ASINSALA KONARA

Undergraduate | BSc (Hons) in Social Studies in Indigenous Knowledge

Malmi Sewana, Samurdhi Mawatha, Waguruwela, Buttala | +94 71 084 4565 | malmiasinsala1@gmail.com

PROFILE

I am very keen on working in an ever-changing, dynamic environment and am self-motivated to take on any challenge. My strengths include in-built leadership qualities and the ability to take responsibility. I am seeking a position in a leading organization where I can apply my knowledge and skills, continue to learn and grow professionally, and contribute meaningfully to the organization.

KEY PROJECTS

Community & Social Welfare Projects (2024)

- **“Supasan Weralathera” – Beach Cleaning Project: -**Took part in a coastal cleanup initiative at Weralathera beach, working with fellow volunteers to remove waste and raise public awareness on marine pollution and coastal conservation.
- **“Surakimu Pana Nala” – Blood Donation Program: -**Assisted in organizing a blood donation campaign, coordinating with donors and medical staff to encourage community participation in life-saving blood donation drives.
- **“Anagathayata Athwelak” – Scholarship Seminar & School Equipment Distribution Program: -** Helped plan and conduct a seminar and distribution drive providing scholarships and essential school supplies to underprivileged students, supporting their continued access to education.
- **“They Need Us” – Support Project for Differently-Abled Children: -** Took part in a welfare project designed to support differently abled children, assisting with activities and initiatives aimed at improving their quality of life.
- **“Senehas Mansala” – Elder Caring Project: -** Participated in a community outreach initiative dedicated to the well-being of elderly individuals, providing care, companionship and essential support to elders in need.

Leo Club Projects (2024-2025)

- **Go Green with Eco-Friendly Pens**
  Contributed to an environmental awareness campaign promoting the use of eco-friendly stationery as an alternative to plastic products, encouraging sustainable habits among students.
- **"Sadaham Yathra" – A Spiritual Offering for the Leostic Year**
  Assisted in organizing a spiritual observance program held as part of the Leo Club's annual calendar of activities, fostering community harmony and cultural values.
- **"Guide the Beyond" – Entrepreneurial Ventures Workshop**
  Managed the planning and execution of a workshop guiding participants toward entrepreneurial ventures, handling coordination, logistics and participant engagement.
- **"Sahurda" Phase 01 & 02: Donation Drive for Cancer Patients, Ward Cleaning Campaign – Maharagama Cancer Hospital**
  Helped organize a donation drive to collect essential items and support for cancer patients, contributing to their comfort and care. In Second Phase, participated in a hospital ward cleaning campaign, helping maintain a clean and comfortable environment for patients.
- **"Prarambha" – Elephant Caring and Awareness Project**
  Contributed to a wildlife conservation initiative focused on elephant welfare, helping raise public awareness on human-elephant coexistence and conservation efforts.

EcoNexus Green Club Projects (2025)

- **Cleaning Campaign – Clean Sri Lanka Initiative, Maharagama**
  Took part in a community cleaning campaign under the national Clean Sri Lanka initiative, working alongside fellow club members to improve public spaces in Maharagama.
- **Cleaning Campaign – Nugegoda**
  Participated in a cleaning campaign in Nugegoda, contributing to environmental cleanliness and raising community awareness on waste management.

G17 Program Projects (SDG-Focused, 2025)

- **"End AIDS Now" – Awareness Program**
  Assisted in conducting an awareness program on HIV/AIDS prevention, aiming to educate the community and reduce stigma associated with the disease.
- **"Unity for Tomorrow" – Workshop & Poster Presentation (SDG 16)**
  Led a project under SDG 16 (Peace, Justice and Strong Institutions), organizing a workshop and poster presentation to promote awareness of peace and justice among youth.
- **"Blue Guardians" – Beach Cleanup & Awareness Project (SDG 14)**
  Organized a beach cleanup and awareness project under SDG 14 (Life Below Water), promoting the protection of marine ecosystems.
- **''Sustainable Shoreline" – Beach Cleanup Project (SDG 15)**
  Took part in an environmental project addressing SDG 15 (Life on Land), contributing to cleanup efforts and awareness on terrestrial ecosystem conservation.
- **"Drop by Drop, Stronger Future" – Water Filter Donation & Awareness Session (SDG 6)**
  Helped organize a water filter donation drive and an online awareness session under SDG 6 (Clean Water and Sanitation), supporting access to clean water in underserved communities.
